

SONO^o

better to the core

Introducing SONO, the German-made innovation in waterproof, dimensionally stable flooring. Featuring stunning HD direct-to-core digitally printed visuals and a ceramic composite core that's free of PVC, formaldehyde, phthalates and plasticizers.

Product Composition

SEALtec+ Surface

- 4 coats of UV-resistant lacquer

HD Direct-to-Core Visual

- Realistic, high definition dynamic print
- Unparalleled, highly detailed color range

Electron-Bonded Primer

- Makes for a strong and consistent surface for the print and lacquer

Megaloc

- Patented angle-drop locking system for quick installations
- Can cover rooms up to 100' x 100' without transitions

Ceramic Composite Board

- Waterproof
- Dimensionally stable
- Contains no PVC, formaldehyde, phthalates or plasticizers

Product Features

Waterproof

SONO's unique ceramic composite core makes it waterproof and perfect for installations throughout your home, including kitchens, bathrooms or below grade.

Installation Advantage

SONO's superior engineering allows for continuous room installations of 100'x100'.

SONO's patented Megaloc angle-drop installation system allows for simple, quick and clean installation with no ensuing wait time.

Certified Safe

SONO contains no PVC, formaldehyde, phthalates or plasticizers. Its ceramic composite core is both GreenGuard Gold and Blue Angel certified.

Performance

SONO's ceramic composite has virtually no expansion or contraction, even in demanding conditions. From spills, to severe temperature and humidity changes, SONO floors are guaranteed not to warp, gap, fade or stain.

With a wear class rating of AC5, SONO products are built to withstand the daily use of a busy household for years to come.

Striking Visuals

Thanks to HD direct-to-core digitally printed visuals, SONO delivers ultra-realistic wood and stone prints, making it virtually impossible to differentiate them from their natural counterparts.

Low Maintenance

Maintenance couldn't be easier. Just a quick sweep & damp mop are all that's needed to keep SONO floors looking their best.
