3. Understand that manufacturer warrants the first quality products – which are used only for recommended use – will perform properly for the stated warranty period when installed in accordance with flexitec Installation Guide over approved substrates and underlayments and using the recommended adhesives and seam bonds/sealers. The warranty period, when valid, begins on the date of the original installation.
4. IVC will, at its option, repair or replace product not meeting the above listed warranties. Material installed with visible defects is considered accepted by the owner.

9. Material must be checked carefully for defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days of installation. After this time has elapsed, no further claims will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty related repairs are excluded from coverage.
10. ALL IMPLIED WARRANTIES WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE– INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE–ARE EXPRESSLY EXCLUDED. By implied warranties IVC means warranties that the law presumes to have been given by the seller even though they are not set out in writing. PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

* Manufacturer does not recommend the use of castors on any flooring without appropriate chair pads.

Light Commercial Defined

1. IVC warrants only first quality products for recommended light commercial use such as those outlined in the application chart. Warranted products will perform as warranted for the stated warranty period when installed in accordance with IVC LVT Installation Guides over approved substrates and underlayments, using the recommended adhesives if applicable.  - Light Commercial use is defined as use in environments, which do not experience normal to heavy commercial traffic, such as those outlined in the Application Chart below. PLEASE NOTE, warranty exclusions apply with respect to castors and other rolling loads, due to the unusual characteristics of this type of wheeled traffic. For frequent or heavy rolling conditions, click flooring products can be glued down to help reduce the risk of joint separation from rolling load traffic. Our warranty, however, still excludes any problems associated with rolling loads.
 - The intended applications include privately owned in-house businesses, such as daycare centers, doctor/dentist offices, and barber/beauty shops. For questions as to the type of use that is considered "Light Commercial", please contact Technical Services prior to purchase and installation.
