The latest innovation in Stone Core technology

Embrace is our latest innovation in Stone Core technology. Leggera Stone Core has all of the revolutionary characteristics of our Stone Core while being 25% lighter.

Moreover, we have made several improvements to enhance stability, facilitate easier installation, and increase durability.

Available in two collections, Classic Timber and Classic Herringbone, featuring ten unique styles.

COMPOSITION

Foundation: composed of the Leggera (light) Stone Core with an attached pvc balancing layer followed with an IXPE [10X] attached underpad. Surface: covering the foundation substrate is the high definition film imaging followed by commercial grade wearlayer with an Embossed in Register finish and a pu aluminum oxide protection overlay.

TOP LAYER

- Commercial grade 20mil wear layer
- Polyurethane coated – UV cured
- Superior stain & fade resistance
- Antimicrobial & easy to clean
- Embossed in register
- Micro bevel edge
- Durable & resilient

IMAGING

- High definition imaging
- Life-like to beautifully reproduce natural hardwood

LEGGERA STONE CORE

- 100% waterproof
- Robust 2G angle-tap-click locking system
- Glueless installation
- Dimensionally stable
- 25% lighter than traditional stone core

BALANCE LAYER

- 100% PVC
- Increases dimensional stability & rigidity
- Increases stability & core resiliency over irregular substrates

UNDERPAD

- Attached underpad
- IXPE [10x]
- High density
- High compression strength
- Superior sound-dampening qualities
- Excellent moisture barrier

PERFORMANCE

Geometrical Characteristics Flatness Squareness	ISO 24337:2019	Pass
Residual Indentation Surface Integrity	ASTM F1914-18	Pass
Dimensional Stability Curl (≤ 0.080 in)	ASTM F2199-20	Pass
Resistance to Heat	ASTM F1514-19	Pass
Resistance to Light	ASTM F1515-21	Pass
Resistance to Chemicals	ASTM F925-13(2020)	Pass
Static Load Resistance	ASTM F970-22	Pass
VOC/Chemical Threshold	CDPH/EHLB/Standard Method V1.2, 2017	Not Detected
Critical Radiant Flux	ASTM E648	Class 1
Slip Resistance	DIN 51130:2014-02	R10
Impact Insulation Class IIC	ASTM E492-09 / ASTM E989-18	74 dB
Sound Transmission Class STC	ASTM E90-09 (2016) / ASTM E413-16	64 dB

A modern interior scene featuring a light-colored wooden floor, a dark arched doorway, and a contemporary lamp. The room is bright and airy, with a large window in the background. A dark, arched doorway leads to another room. A contemporary lamp with three adjustable shades is positioned above the doorway. A small table with a vase of flowers sits near the doorway. The overall aesthetic is clean and sophisticated.

PACKAGING

Type	Leggera Stone Core
Dimensions	9" x 70" (228MM x 1,800MM)
Thickness	6.5MM Leggera Stone Core + 1.5MM IXPE [10x] Attached Pad
Overall Thickness	8.0MM
Wear Layer	20MIL PU Coated
Finish	Embossed in Register
Edge	Micro Bevel
Installation	Floating 2G Unilin Click
Pattern Repeat	4/4
Residential Warranty	Exclusive Lifetime
Commercial Warranty	Exclusive 15 Years

PACKAGING

Box	5 Planks	22.09 SQFT	2.052 SQM
Pallet	52 Boxes	1,148.55 SQFT	106.70 SQM
Container	20 Pallets	22,971 SQFT	2,134.08 SQM

About Kennedy Floorings

Kennedy Floorings is family owned and operated and has been servicing Western Canada since 1856. We at Kennedy Floorings are leaders in providing Canada with the latest in floor covering fashions and technologies, pioneering many floor covering products and categories. We carry an array of commercial and residential floor covering products to meet all of our customer's needs.

Kennedy Floorings works domestically and internationally to hand select its products in order to bring the latest in floor covering design, fashion, and technology to the Canadian Market. We pride ourselves on maintaining the highest level of customer support and service as well as supplying superior products at competitive prices.

For every square foot sold of all Embrace branded products, we are donating 1¢ to life saving cancer research. 2 in 5 Canadians will be diagnosed with cancer in their life, and Kennedy Floorings along with EmbraceLife, seeks to advance the future of possible treatments and cures.

In honour of Susan.
